PROFILE

Operations leader with 14 years of experience running distribution and fulfilment functions for mid-sized logistics and retail-supply businesses. Known for staying composed and effective through disruption — has led teams through a warehouse relocation, an ERP migration, and sustained regional staff shortages without missing service targets. Currently looking to build the visibility and stakeholder-facing skills to match a strong operational track record with a stronger seat at the table.

EXPERIENCE

Senior Operations Manager — Nordfracht Logistics GmbH

2020 – Present | Hamburg, DE

- Run day-to-day operations for a 240-person distribution site handling ~18,000 outbound shipments per week across three retail clients.
- Led the site through a full warehouse relocation in 2021 with zero disruption to client SLAs, coordinating layout design, staff transfer, and a two-week dual-running period.
- Managed operational continuity through a company-wide ERP migration (SAP to a cloud WMS), including retraining 60+ floor staff and rebuilding reporting from scratch.
- Held the team together through two consecutive years of regional labour shortages, redesigning shift structures and cross-training staff across functions to avoid missed dispatches.
- Manage a team of 5 shift leads and an annual operating budget of €3.2M.
- Reduced pick-and-pack error rate from 2.1% to 0.6% over three years through process redesign and a peer quality-check system.

Operations Manager — Vantero Distribution

2013 – 2020 | Bremen, DE

- Promoted from Team Lead to Operations Manager within 18 months — the fastest promotion in the site's history at the time.
- Oversaw inbound and outbound logistics for a 90-person facility, managing 4 direct reports.
- Introduced a KPI dashboard that gave leadership same-day visibility into fulfilment accuracy and on-time dispatch, adopted company-wide the following year.
- Partnered with HR to redesign the site's onboarding process, cutting new-hire ramp-up time from 6 weeks to 3.

Team Lead, Warehouse Operations — Vantero Distribution

2012 – 2013 | Bremen, DE

- Supervised a team of 12 in receiving and inventory control.
- Identified and fixed a recurring stock-discrepancy issue that had gone unresolved for over a year, saving an estimated €80K annually in write-offs.

Logistics Coordinator — Hansewerk Supply Co.

2010 – 2012 | Hamburg, DE

- Coordinated scheduling between suppliers, transport partners, and the warehouse floor.
- First role after completing vocational training; promoted into supervisory track within two years.
